COLLEGE of ARMS.

From Tuesday December 31, to Saturday January 4, 1755.

Petersbourg, December 3.

HER Imperial Majesty has not only shewn great Marks of her Liberality on Account of the Birth of the young Prince, but has also ordered large Remittances to be made to her Ministers in Foreign Courts, to enable them to celebrate the same with great Splendor. We are informed by our last Dispatches from Major Obreskow, our Resident at Constantinople, that the Grand Vizier has assured him in a private Conference, of the invariable Desire of the Grand Signior his Master, to keep up a good Understanding with all his Neighbours, and particularly the Russians. The Frost is set in so very severe within these few Days, that all Manner of heavy Carriages already pass and repass upon the Great and Little Neva.

Rome, Dec. 9. We hear from Civitta Vecchia, that the two Frigats, bought some Time since by this Government, are at length put to Sea, in order to cruize, during the Winter, on the Coast of the Ecclesiastical State, to protect the Ships belonging to Christian Powers from being taken by the Barbary Corsairs.

Stockholm, Dec. 10. Last Saturday Morning their Majesties came from Ulrichsdahl to reside for the Winter in the new Palace just finished for their Reception in this City. Soon after their Arrival, they received the Compliments of the Nobility and Foreign Ministers on that Occasion; and at Night there was a grand Assembly in the Queen's Apartments. The next Day, being Sunday, the Archbishop of Upsal consecrated the Chapel belonging to the new Palace, in their Majesties Presence. The Author of the counterfeit Bank Notes that have been circulated here, and in several other Cities of this Kingdom, is at length discovered, and committed to Prison.

Prague, Dec. 11. Last Week a prodigeous Quantity of Snow fell in these Parts, which being succeeded by a Frost that has continued very severe for these three Days, the Ice upon the Moldau is already become so thick, that even Carriages go on that River without the least Danger.

Vienna, Dec. 14. Her Imperial Majesty has conferred on Count de St. André, the Rank of Lieutenant Field Marshal; and the Sieurs Schallenbourg and Bellesnay, are raised to that of Majors General.

Haerlem, Dec. 26. Her Royal Highness the Princess Governante has appointed M. Witte to be Burgomaster of this City, in the Room of M. Schuylenbourg, deceased. We hear from Alkmar, that her Royal Highness has been pleased to approve of their late Nomination of Burgomasters and other Officers of that Place.

Whitehall, January 4.

The King has been pleased to grant unto Mathew Lamb, of Brocket Hall, in the County of Hertford, Esq; and to the Heirs Male of his Body lawfully begotten, the Dignity of a Baronet of the Kingdom of Great Britain.

The King has been pleased to present Thomas Fownes, Master of Arts, to the Vicarage of Brixham, with the Chapels of Kinsware and Churston, belonging thereto, in the County of Devon and Diocese of Exeter, the same being void by the Death of Charles Vinicombe, Clerk, the last Incumbent.

The King has been pleased to grant to Stephen Martin Leake, Esq; the Office of Garter Principal King of Arms, in the Room of John Anstis, Esq; deceased.

The King has been pleased to grant to Charles Townley, Esq; the Office of Clarenceux King of Arms, void by the Promotion of Stephen Martin Leake, Esq; to the Office of Garter Principal King of Arms.

Advertiſements.

Dr. *ANDERSON*'s, or, The Famous *SCOTS* PILLS;

ARE faithfully prepared only by JAMES INGLISH, Son of DAVID INGLISH, deceaſed, at the Unicorn, over-againſt the New Church in the Strand, London; and to prevent Counterfeits from Scotland, as well as in and about London, you are deſired to take Notice, That the true Pills have their Boxes ſealed on the Top (in black Wax) with a Lyon Rampant, and Three Mullets Argent, Dr. Anderſon's Head betwixt I. I. with his Name round it, and Iſabella Engliſh underneath the Shield in a Scroll. They are of excellent Uſe in all Caſes where Purging is neceſſary, and may be taken with Epſom, Tunbridge, or other Medicinal Waters.

DR. *JAMES*'s Powder for FEVERS, and other Inflammatory Diſtempers, publiſhed by Virtue of His MAJESTY's ROYAL LETTERS PATENT, will remove (as has been experienced in many thouſand Caſes) any continual acute Fever in a few Hours, though attended with Convulſions, Light-headedneſs, and the worſt Symptoms: But if taken in the Beginning of a Fever, one Doſe is generally ſufficient to perform a Cure. *

It is likewiſe a moſt effectual Remedy for all internal Inflammation, Pleuriſies, Quincies, acute Rheumatiſms, and the Lowneſs of Spirits, and Uneaſineſſes proceeding from ſlow and latent Fevers, which are generally miſtaken for Vapours and Hyſterics; and a ſingle Doſe remarkably ſtops the Progreſs of a Cold, and certainly prevents the ill Conſequences ariſing from that very common Diſorder, the Source of almoſt all Diſtempers.

This Powder (which is a very ſafe and pleaſant Medicine to take) is ſold by J. Newbery at the Bible and Sun in St. Paul's Church-yard, over-againſt the North Door of the Church, at 2 s. 6 d. the two Doſes, with good Allowance to thoſe who buy it for charitable Uſes, or to ſell again; and by James Eſdall, Printer, on the Blind Quay, Dublin.

* See a Diſſertation on Fevers, and other Inflammatory Diſtempers, ſold at the Place above-mentioned. Price 6 d.

By the KING's *PATENT.*

HIS MAJESTY having been graciouſly pleaſed to grant his Royal Letters Patent, bearing Date at Weſtminſter the 17th Day of October 1751, in the 25th Year of his Reign, unto Richard Rock, of the Pariſh of St. Bridget, otherwiſe Bride's, London, Licentiate in Medicine, for his New Compound Medicine, or Anti-Venereal Cathartick Electuary, for the true Cure of freſh Venereal Injuries, and all the lurking Relicts or Remains of old ones, which he has brought to a ſurprizing Degree of Perfection in the Cure of the ſeveral Stages of the Venereal Diſtemper, from the ſlighteſt Infection to the moſt inveterate Degree thereof, without breaking or impairing the Conſtitution, enervating the human Syſtem, or leaving any Foulneſs or Weakneſs behind: This is therefore to acquaint the Publick, for whoſe Uſe and Benefit the ſaid Letters Patent were principally obtained, that the ſaid moſt admirable Electuary is ſold by him at the Golden Head and Key, Bell Savage Inn Gateway, Ludgate-Hill, London, at only 6 s. and a Book of plain Inſtructions (by the Help of which every one may be his own Phyſician) given with each Pot: Where Advice is to be had, and all Debilities, Obſtructions of the urinary Paſſages, and Gleets, are abſolutely cured.

Sold at the Widow Adams's, Printer, at Weſtcheſter.
